**Easy Design Resources**

APW Wyott designs and specifications can be easily accessed on data systems including Autoquotes and KCL CAD Library. You can also access our price list, manuals, and specs sheet on our website at [www.apwwyott.com](http://www.apwwyott.com).

**Enhanced Warranty Plan**

APW Wyott has some of the most reliable products on the market. When issues arise at your operation, we have some of the fastest service response levels in the industry.

APW Wyott is a trusted source of food cooking, toasting, heating & holding, warming and merchandising solutions for customers in the retail, restaurant and institutional food service industries worldwide.

APW Wyott is a member of the Standex Food Service Equipment Group, along with other well-known cooking solutions brands, including Bakers Pride, BKI and Bevles. To learn more, visit [www.apwwyott.com](http://www.apwwyott.com).

Champion CharBroilers are known for their Durability, Versatility and Exceptional performance. Tough steel exterior and interior construction is welded together to form one of the most “worry free” CharBroilers on the market...backed by our Three Year Guarantee. Each model is available with an array of options...Radiants or CharRocks, a variety of grates and sizes up to 48”. No competitive broiler tops the BTU power available in the Champion line!

Gas Radiant CharBroilers

Gas Radiant CharBroilers now feature all new heat dials that turn a full 180 degrees for ultimate control! Constructed of welded stainless and aluminized steel with heavy-duty stainless radiants. One of the highest BTU ratings in the industry. Easy clean-up. Field convertible gas regulators. Additional charge may apply for high altitude versions or some types of manufactured gases (i.e. town gas, etc.) Contact factory. CE models include safety pilot. Cannot ship UPS. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 85.

MODEL	BTU	RADIANTS	DIMENSIONS	LBS	PRICE
GCB-18H	60,000	3	15 5/8"H x 18"W x 26 7/8"D	96	1,852.00
GCB-24H	80,000	4	15 5/8"H x 24"W x 26 7/8"D	122	2,028.00
GCB-36H	120,000	6	15 5/8"H x 36"W x 26 7/8"D	174	2,844.00
GCB-48H	160,000	8	15 5/8"H x 48"W x 26 7/8"D	226	3,881.00
<hr/>					
GCB-18H (safety pilot)	60,000	3	15 5/8"H x 18"W x 26 7/8"D	96	2,081.00
GCB-24H (safety pilot)	80,000	4	15 5/8"H x 24"W x 26 7/8"D	122	2,287.00
GCB-36H (2 safety pilots)	120,000	6	15 5/8"H x 36"W x 26 7/8"D	174	3,099.00
GCB-48H (2 safety pilots)	160,000	8	15 5/8"H x 48"W x 26 7/8"D	227	4,380.00
<hr/>					
<b>CE Models for Export (safety pilot only)</b>					
GCB-18H-CE	60,000	3	15 5/8"H x 18"W x 26 7/8"D	96	2,081.00
GCB-24H-CE	80,000	4	15 5/8"H x 24"W x 26 7/8"D	122	2,287.00
GCB-36H-CE	120,000	6	15 5/8"H x 36"W x 26 7/8"D	174	3,099.00
GCB-48H-CE	160,000	8	15 5/8"H x 48"W x 26 7/8"D	227	4,380.00

**Radiant Advantages:**

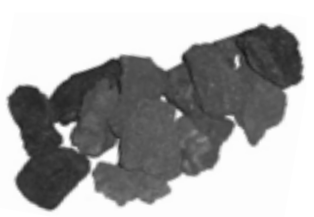

- 1) Provides a more “even heat” pattern across grill surface.
- 2) Easier to maintain and clean.
- 3) Less “flare-ups” in the broiling process.

Gas CharRock Broilers

Gas CharRock Broilers now feature all new heat dials that turn a full 180 degrees for ultimate control! All stainless and aluminized steel construction. Cast iron rock holder under grates. Each unit is shipped with a supply of lava rocks. One of the highest BTU ratings in the industry. Field convertible gas regulators. Added charge may apply for high altitude versions or some types of manufactured gases (i.e. town gas, etc.) Contact factory. CE models include safety pilot. Cannot ship UPS. If shipping air freight, dimensional weights apply. **FOB Standex Dock**, freight class 85.

MODEL	BTU	DIMENSIONS	LBS	PRICE
GCRB-18H	60,000	15 5/8"H x 18"W x 26 7/8"D	115	1,338.00
GCRB-24H	80,000	15 5/8"H x 24"W x 26 7/8"D	148	1,444.00
GCRB-36H	120,000	15 5/8"H x 36"W x 26 7/8"D	203	2,028.00
GCRB-48H	160,000	15 5/8"H x 48"W x 26 7/8"D	270	2,812.00
<hr/>				
GCRB-18H (safety pilot)	60,000	15 5/8"H x 18"W x 26 7/8"D	115	1,556.00
GCRB-24H (safety pilot)	80,000	15 5/8"H x 24"W x 26 7/8"D	148	1,664.00
GCRB-36H (2 safety pilots)	120,000	15 5/8"H x 36"W x 26 7/8"D	203	2,264.00
GCRB-48H (2 safety pilots)	160,000	15 5/8"H x 48"W x 26 7/8"D	270	3,291.00
<hr/>				
<b>CE Models for Export (safety pilot only)</b>				
GCRB-18H-CE	60,000	15 5/8"H x 18"W x 26 7/8"D	115	1,556.00
GCRB-24H-CE	80,000	15 5/8"H x 24"W x 26 7/8"D	148	1,664.00
GCRB-36H-CE	120,000	15 5/8"H x 36"W x 26 7/8"D	263	2,264.00
GCRB-48H-CE	160,000	15 5/8"H x 48"W x 26 7/8"D	270	3,291.00

**CharRock Advantages:**

- 1) CharRocks build “visual excitement” with more flames and smoke.
- 2) Adds back flavor with sizzle of drippings from meats.

## Thermostatic Gas Griddles

**Snap Action Controls!**

\*No electrical required!

Gas Griddles now feature all new heat dials that turn a full 210 degrees for ultimate control! Snap action controls with no electrical cord required. 3/4" griddle plate and a mechanical modulating valve/thermostat for maximum cooking control. 4" grease trough accepts full-sized spatulas. Welded stainless and aluminized steel, construction and 4" adjustable legs. Griddle plate is continuously welded to base. Field convertible gas regulators. CE models include safety pilot. Cannot ship UPS. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 85.

MODEL	BTU	DIMENSIONS	LBS	PRICE
<b>GGT-18H</b>	37,500	15 1/2"H x 18"W x 26 3/4"D	160	<b>1,664.00</b>
<b>GGT-24H</b>	50,000	15 1/2"H x 24"W x 26 3/4"D	223	<b>2,198.00</b>
<b>GGT-36H</b>	75,000	15 1/2"H x 36"W x 26 3/4"D	306	<b>2,798.00</b>
<b>GGT-48H</b>	100,000	15 1/2"H x 48"W x 26 3/4"D	350	<b>3,564.00</b>
<b>GGT-18H (safety pilot)</b>	37,500	15 1/2"H x 18"W x 26 3/4"D	160	<b>1,880.00</b>
<b>GGT-24H (safety pilot)</b>	50,000	15 1/2"H x 24"W x 26 3/4"D	223	<b>2,748.00</b>
<b>GGT-36H (2 safety pilots)</b>	75,000	15 1/2"H x 36"W x 26 3/4"D	306	<b>3,360.00</b>
<b>GGT-48H (2 safety pilots)</b>	100,000	15 1/2"H x 48"W x 26 3/4"D	350	<b>4,056.00</b>

### Thermostatic Control Advantages:

- 1) Senses temperature on plate and regulates heat.
- 2) Ideal for cooking a variety of products in different temperatures zones.

### CE Models for Export (safety pilot only)

MODEL	BTU	DIMENSIONS	LBS	PRICE
<b>GGT-18H-CE</b>	37,500	15 1/2"H x 18"W x 26 3/4"D	160	<b>1,880.00</b>
<b>GGT-24H-CE</b>	50,000	15 1/2"H x 24"W x 26 3/4"D	223	<b>2,748.00</b>

<b>GGT-48H-CE</b>	100,000	15 1/2"H x 48"W x 26 3/4"D	350	<b>4,056.00</b>

## Manual Gas Griddles

### Manual Control Advantages:

- 1) Great for High Heat
- 2) Highest BTU's drive fast temperature recoveries under heavy loads.
- 3) Needs "experienced cook" to manually control cooking zones.

Manual Gas Griddles now feature all new heat dials that turn a full 180 degrees for ultimate control! 3/4" flat polished steel griddle plate, full 4" grease trough and shut-off valve, welded stainless and aluminized steel construction and 4" adjustable legs. Griddle plate is continuously welded. Field convertible gas regulators. CE models include safety pilot. Cannot ship UPS. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 85.

FlexWav Radiant Pass Through Toasters use a series of cutting edge controls and infrared heat systems that are focused at your food, delivering an extreme level of heat energy for broiling, toasting, baking, and warming. The FlexWav heat system is a concentrated, pre-focused source of radiant energy that consistently sends infrared waves evenly toward the conveyor belt at both high a low temperature levels. The FlexWav ceramic heat system has over 31% more efficiency in its infrared energy vs. quartz based units. Maximum infrared efficiency is 96%! The FlexWav conveyor belt direction can be easily reversed with the switch on the side of the conveyor.

## FlexWav™ Analog Control Radiant Pass-Thru Conveyor Toasters

FlexWav Analog Radiant Pass Through Toasters; 8" long crumb trays are provided on either end of the toaster. Extended conveyor shelves are available for both "entrance or exit" areas (the 1417 comes with one.) 4 inch Heavy-Duty legs are included. UL approved for stacking up to 3 units high. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 100.

## C\*Radiant Countertop Fry Holding Stations

The C\*Radiant CFHS line is designed to provide the most effective "top and bottom" heat to keep Fried Foods at the optimum temperature over a longer period of time. The C\*Radiant CFHS line includes 21" wide and 16" wide portable models. Top Heat is provided by a system of ceramic heaters that efficiently heat foods without continuing to cook them. Thermostatically controlled heated base provides uniform holding temperatures from below. Two 40 Watt coated bulbs light up the bin area, making an attractive display of product. Perforated Bin is included in both. The C\*Radiant CFHS-21 includes a standard Fry Bag Holding Ribbon. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 92 1/2.

# Your Choice for Countertop Display Merchandising!

## Racer™ Countertop Display Merchandisers

DMXS-30H  
Horizontal

New, great looking display merchandiser that keeps a variety of packaged foods hot, and provides fast and easy accessibility to the consumer. Available in one or two shelf versions, either in a flat shelf or slanted design. Racer Merchandisers keep wrapped product at NSF safe temperatures through a system of infrared overhead heat and a thermostatically controlled heated base. The Racer line is the most durable and sturdy merchandiser on the market. The infrastructure and support is made of solid stainless steel. Unit will not sway from side to side or sag in the middle. Heated base is designed with special coated aluminum that transfers heat efficiently, plus allows boxes and wrapped products to smoothly slide down toward the front. Tempered glass end panels allow maximum visibility, while shatter resistant incandescent lights builds the overall presentation. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 125.

## Integrated Multiple Food Wells that "fit" your business

For Multiple hot food wells built in a modular configuration that can be easily installed in your operation, APW Wyott is your leading choice. Whether you want one or six wells, equipped with drains, no drains, or our innovative "EZ-Fill" design, or built with a variety of electrical options...APW Wyott's Multiple Food Well line has the version for you. High performance is designed into each unit...High Watt Heating Systems to generate the fastest startup time and recoveries, plus fully insulated boxes that focus all the energy toward the wells (and your product). All units are fully approved for electrical and food safety and are ready to install into your counter area.

### Insulated Multiple Hot Food Wells

Fully insulated with recessed bezel. Infinite controls are standard except the HFW-1 has a thermostat. Thermostat is available on Multiple Wells, add \$56 per well. For 72" control conduit add \$54 per well. Single phase is standard, 3 phase is available, add \$30 per well. Model HFW-1 cannot be converted to 3 phase. All wells have 1 1/2" flange. For drain and manifold, add "D" to model number. Pans are removable. Models HFW-6 and HFW-6D are not CE listed. Models HFW-2, HFW-3, HFW-4, HFW-5 and HFW-6 cannot ship UPS. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 92 1/2.

See Terms and Conditions page 52 for custom product policies on ordering foodwells.

**Insulated Multiple Hot Food Wells w/ Attached Controls & Plug**

Heavy-duty top mount insulated rectangular drop-in food wells are designed for direct installation into metal or wood countertops by plugging the unit directly into an existing outlet. The control box is mounted directly to the bottom of the unit. Units are 12.71" high. Units shipped with drain are provided with stainless steel 1/2" NPT drain welded to the bottom of the pan and provided with a removable screen. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 92 1/2.

FOOD WELLS

6

## Cold/Hot Dual Temp Wells

Single control switch for changing from hot to cold operation. Automatic water fill and high limit thermostat element protection is provided for hot operation. The positive-off thermostat controls the element allowing for adjustability and increased consistency of temperatures. Flexible 24" long conduit connects stainless steel control panel for optional counter mounting. Units are designed for installation into a wood or metal counter fixture. If shipping via air freight, dimensional weights apply. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight Class 100.

### Single C\*Radiant™ Overhead Warmers

The C\*Radiant™ (Ceramic) Overhead Warmers deliver greater heat intensity and efficient infrared radiant energy. High wattage version is superior for highly air conditioned passage-ways. Shipped with Side-Mounted Control Box (standard) or remote control box. For Remote, add "R" to the end of model number. Both options come standard with Pilot lights, rocker switch and mounting brackets. Specify 120V, 208V, or 240V. Models FDC-48H to 72H and FDC-54L to 72L available only in 208V and 240V. Single units are 6" wide and 2 1/2" high (Side mounted box adds 4 13/32" to width). If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 92 1/2.

### Single Standard Calrod Overhead Warmers

Overhead Warmers come in Standard Energy Efficient Wattage and High Performance High Heat Wattage. These Overhead Warmers are made with special "mirror finished" stainless steel reflectors that generate over 22% more heat. Pilot lights, toggle switch and mounting brackets come standard. Infinite control available for maximum temperature management. Specify 120V, 208V, or 240V. Models FD-48 through 72 are available only in 208V and 240V. Single units are 6" wide and 2 1/2" high. Add -T for Toggle or -I for Infinite Controls. For Remote, add "R" to the end of model number. For attached cord and plug, add CS after model number. Full two year warranty on elements. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 92 1/2.

## Ease\*Extreme Digital Holding Drawers (Flip Down Front)

The Ease\* Extreme Holding Drawers feature "easy access" control panels that are positioned at the top of the unit and a "flip down" drawer front that allows easy access to remove the interior pan. Ease\* Extreme Drawers are designed with a tough Stainless Steel Construction and Heavy-Duty Drawer Slide, making it one of the most durable in the industry. Drawer slides now feature the "Easy Roller" design that eliminates the problem of drawers jamming as you close them. The Ease\* Extreme Holding Drawers have perimeter heating elements, thermostatic controls, and moisture control vents. Ease\* Extreme are supplied with an easy to read digital control system that keeps the tightest control over interior temperatures. Cord and plug and 6 3/4" deep pan included. All models of HDX's cannot ship UPS. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 92 1/2.

## Drop-In Oval Lowerator™ Dispensers

The APW Wyott Oval Dish Dispenser (OVD) is a self leveling dispenser for oval-shaped dinnerware. Tube construction is of stainless steel with polished flange and dispensing head. Four heavy-duty stainless steel guideposts ensure perfect positioning of leveled plates.

The dispensing mechanism in APW Wyott's Lowerators® uses springs attached to a sliding support bar that rides both inside and outside the tube. This design feature prevents a stack of dishware from sticking in the down position, and releasing unexpectedly. The OVD is a field adjustable for weights for weights up to 150 pounds. The flange supports the dispenser on the countertop after a hole cutout is made. Sample platter must accompany order.

**NOTE: Please contact factory for ordering.**

## Trendline Mobile Lowerator™ Dispensers

All items cannot ship UPS. Units are supplied with 4" non-marking, hard rubber casters and rear brakes. 208/240V units are available. Units are 36-7/8" high. Only heated items are CSA Certified and UL Listed. Accessories are available. All items, **FOB Standex Dock**. If shipping via air freight, dimensional weights apply. **FOB Standex Dock**, freight class 92 1/2.

## Conversions

Watts x Volts = Amps  
(Single Phase only)

Inches x 2.54 = Centimeters

Pounds x 2.2 = Kilograms

(°Fahrenheit - 32) x .56 = °Celsius

Gallons x .264 = Liters

# AUTHORIZED PARTS/SERVICE DISTRIBUTORS

Authorized distributors are responsible for providing parts and service for their assigned territories. Most have associate agents and branches strategically located throughout their territories. Upon calls for service, they will dispatch the appropriate agency to provide service. All APW Wyott Authorized Parts/Service Distributors use only factory supplied OEM parts and agree to perform service that meets the APW Wyott standards of service excellence.

**Phone numbers are 24 hour — 7 day numbers  
Unless a separate emergency number is designated.**

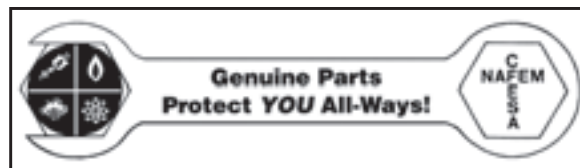

**IMPORTANT** When calling for service, be prepared to give the service agency the model number, serial number, type of gas and/or electrical characteristics, date of purchase, your name, business name, complete address, phone number, person to contact, and describe the problem as best you can.

**If further assistance is required, call the APW Wyott 24 hour Service Hot Line which gives access to the nearest Authorized APW Wyott Parts/Service Distributor - call 1-800-733-2203.**

**A list of service agents can also be found on our website at  
[www.apwwyott.com](http://www.apwwyott.com)**

HotRods  
Cold Wells  
Lowerators

# Terms and Conditions

## 1. Quotations

Quotations submitted by Seller (also referred to as "APW Wyott") are good for acceptance only within sixty (60) days from date of quotation for shipments within six (6) months. For shipments beyond 6 months from date of quotation, add 1% per month for a maximum of an additional two (2) months. This escalator is a maximum. If the current price at time of shipment is lower, it will apply. Quotations will be submitted on request for delivery requirements up to eighteen (18) months. Prices quoted do not include any sales, use, excise, occupational or other similar tax. Delivery lead times contained within quotations shall date from receipt by Seller of all necessary engineering and manufacturing information, including approved drawings, if required by Buyer.

## 2. Acceptance/Minimum Order

\$1,500.00 Initial Order. All orders are subject to approval and acceptance by Seller. A written acknowledgement sent to Buyer of orders so approved shall constitute such acceptance by Seller. Seller may at any time alter or suspend credit, refuse shipment, or cancel unfulfilled orders when, in Seller's opinion, the financial condition of Buyer or the status of Buyer's account warrants it, or when delivery is delayed by fault of Buyer or Buyer is delinquent in any payment. No order accepted by Seller will be subject to cancellation, termination, suspension, change, reduction, cutback or any other modifications by Buyer except with Seller's prior written consent. Any such modifications may be subject to a change as determined by Seller. THE MINIMUM ORDER IS \$100.00 NET PRICE (U.S. Funds). Open account terms are extended to firms with established credit at APW Wyott Food Service Equipment Company ("APW Wyott"). If Buyer wishes to establish an open account, it should call the APW Wyott Manufacturer's Representative in its area and request a credit application. If Buyer's initial order is urgent, it should include a cashier's check with its completed application and initial order. Buyer's completed credit application will then be processed. Possession of APW Wyott Price List(s) does not constitute an offer to sell.

## 3. Standard Case

All merchandise is sold in case lots only. There will be a \$10.00 net additional charge for each broken case.

## 4. Same Day Service

Seller will accommodate requests for same day service on orders placed by 10:00 a.m. CST.

## 5. Cancellation

Orders may be cancelled or deliveries deferred only upon the condition that the Buyer assumes immediate liability for and makes prompt payment to Seller of all expenses incurred, charges for commitments made by Seller, profit on work in process and contract value of items completed and ready for shipment. If the product is already in process of being produced or already made, the order cannot be cancelled.

## 6. Delivery

Shipment schedules are approximate only and are as accurate as present conditions permit. Seller assumes no responsibility or liability for failure or delay in making delivery or otherwise performing hereunder when such failure or delay is due to any cause beyond its control and without its fault or negligence. If for any reason Seller's supply of products ordered hereunder is caused to be limited, Seller shall have the right to prorate the supply in such manner as it, in its discretion, shall determine. Delivery to a common carrier shall constitute delivery to Buyer and all risk of loss or damage in transit shall be borne by Buyer. If, because of Buyer's inability to take delivery, the materials or equipment are not shipped, Seller may have them stored for Buyer at Buyer's expense, risk and account, and for all other purposes they shall be considered "shipped."

## 7. Partial Deliveries

Seller may make partial deliveries which Buyer shall accept and pay for at the prices acknowledged upon maturity of bills. If any part of the order is not in accordance with the order, the remaining part of the order and Buyer's obligation hereunder shall not be affected.

## 8. Packaging

All items sold hereunder shall be packed or crated and shipped in accordance with Seller's best judgment. Any special packing, crating, or shipping instructions of Buyer must be noted on Buyer's original order in accordance with Seller's best judgment. Any special packaging, crating, or shipping instructions of Buyer must be noted on Buyer's original order and acknowledged by Seller.

## 9. Inspection.

Buyer shall inspect all items upon arrival and shall give written notice to Seller within ten (10) days of receipt of any claim for shortage or non-conformance with the terms hereof. If Buyer shall fail to give such notice, all items shall be deemed to be conforming, and Buyer shall be bound to accept and pay for all items in accordance with the Terms hereof.

If damage has occurred, it should be noted on the freight bill and claim filed by Buyer immediately with the carrier. Although APW Wyott takes special care to insure the safe arrival of merchandise, Seller's responsibility for damage ceases when shipment is accepted by the carrier. APW WYOTT CANNOT FILE THE FREIGHT DAMAGE CLAIM FOR THE BUYER.

## 10. Returns

APW Wyott has a Return Policy for Standard Stocking Products and a Policy for Non-Standard "Custom" Products requested by the Customer. Return Material Authorization (RMA) requests must be submitted within 90 days from date of invoice. In all cases, APW Wyott will refuse any returned goods that do not have prior APW Wyott approval and therefore, do not bear an APW Wyott Return Material Authorization (RMA) number. This RMA number will remain valid for sixty (60) days. Goods returned after this sixty (60) day period will be refused. Approved returned goods must be shipped prepaid. An authorized APW Wyott Customer Service Representative will alert Buyer as to the correct return address.

Approved Standard Stocking Products that are returned will be credited at invoice less 20% restocking charge or \$50 minimum, whichever is higher and less outbound freight. Goods must be returned either in the original APW Wyott unopened box or returned unused and repacked in the original APW Wyott box using original APW Wyott packing materials.

Non Standard Custom Products are either Returnable (but with a 20% or \$50 minimum, whichever is higher, restocking charge to cover cost of re-work and parts) or Non-Refundable (not convertible or sellable to other customers).

Catalog items which have been modified by addition of available options are returnable with a 50% restocking fee to cover cost of re-work and parts. Items that are eligible for return include Non Standard Food Wells, Calrod Overhead Warmers over 54", any Double or Lighted Overhead Warmer, and Radiant Black or Ceramic Overhead Warmer. Cancellation of order is not allowed 4-5 working days before the shipment due date. Buyer will be subject to a 50% charge if the equipment has been produced.

Non-Returnable Goods (Not convertible or sellable to other customers) may not be returned or cancelled once the product is planned and parts have been acquired. In some cases, a non-refundable deposit will be required. Non Returnable Custom Products include but is not limited to all Mobile Lowerators and Rack Dispensers, any product with added decals or laminate, non standard or Oval Lowerator Tubes, and some Export Voltage Products.

## 11. Repairs, Alterations and Modifications

Any repairs made to products shipped by Seller shall be at the expense of the Buyer unless specifically authorized in writing by the Seller.

Alterations or modifications to the product involving welding, brazing, soldering, drilling or machining by the Buyer is not permitted or approved by the Seller without specific authorization in writing by the Seller. Seller disclaims any and all liability and responsibility for any unauthorized alteration or modification by the Buyer or an unauthorized service representative which will void the warranty immediately.

## 12. Patent Indemnity

Buyer shall indemnify, defend and hold harmless Seller and its directors, officers, agents and employees against all loss, liability and claims for damages or profits, including all reasonable costs and expenses incurred by Seller in connection therewith, arising from any claim that the goods infringe any patents, copyrights, trademarks or claims or allegations of misappropriation of designs, proprietary data, trade secrets or any other intellectual property right of any person with respect to all goods manufactured either in whole or in part in accordance with Buyer's specifications.

Upon receipt of notice from Seller of such alleged infringement, Buyer shall defend any action or claim of such infringement at its own expense.

## 13. Terms/Shipments

Terms are 1% - 10, net 30 days from date of invoice, F.O.B. Seller's dock unless otherwise expressly stated in writing by Seller. Late charges of up to two percent (2%) per month plus costs of collection will be assessed on past due invoices.

## 14. Taxes

Any taxes or other governmental charges upon production, sale and/or shipment of merchandise sold hereunder, now imposed by federal, state or municipal authorities, or hereafter becoming effective, including sales and use tax imposed as a result of Buyer requesting shipment direct to its customer in another state, shall be added to the prices provided by APW Wyott and shall be paid by the Buyer. Buyer is responsible for providing to APW Wyott valid sales tax resale or exempt certificates for all states in which Buyer is licensed.

# Terms and Conditions

## 15. Credits

Seller will only consider credits on which the claim has been initiated within twelve (12) months of the date of shipment.

## 16. General

a. No items to be furnished hereunder shall be exported by Buyer or by any customer of Buyer unless Seller is first notified in writing of the intention to so export and all applicable regulations and licenses are complied with and obtained by Buyer or its customer.

b. Seller reserves the right to make changes in design at any time without incurring any obligation to make such changes in any items previously purchased, whether or not delivered.

c. Seller expressly disclaims application of any Government procurement regulations in connection with any items to be furnished hereunder unless expressly agreed to in writing by an authorized representative of Seller.

d. Seller hereby certifies that the goods described herein of its manufacture will be produced in compliance with all applicable requirements of Sections 6, 7 and 12 of the Fair Labor Standards Act, as amended, and all orders of United States Department of Labor issued under Section 14 thereof. Seller further certifies that it is in compliance with the Equal employment Opportunity clause in Section 202, paragraph 1 through 7 of Executive Order 11246, as amended, relative to equal employment opportunity and the implementing Rules and Regulations of the Office of Federal Contract Compliance.

e. Seller is not responsible for typographical errors made in any of its publications or for stenographic or clerical errors made in preparation of quotations, sales orders, or acknowledgements. All such errors are subject to correction.

f. This agreement shall be governed by the laws of the State of Texas.

g. Seller's "Terms and Conditions" as set forth above shall govern this transaction and any inconsistent terms of Buyer wherever set forth and whether oral or written, shall not be binding upon Seller unless agreed to in writing by Seller. No waiver or exception to any of the hereinabove enumerated conditions or any of the special terms and provisions relating to these Terms and Conditions shall be binding upon Seller unless agreed to in writing by the Seller.

## 17. WARRANTY INFORMATION

APW Wyott warrants its equipment against defects in materials and workmanship, subject to the following conditions:

This warranty applies to the original owner only and is not assignable.

Should any product fail to function in its intended manner under normal use within the limits defined in this warranty, at the option of APW Wyott such product will be repaired or replaced by APW Wyott or its Authorized Service Agency. APW Wyott will only be responsible for charges incurred or service performed by its Authorized Service Agencies. The use of other than APW Wyott Authorized Service Agencies will void this warranty and APW Wyott will not be responsible for such work or any charges associated with same. The closest APW Wyott Authorized Service Agency must be used.

This warranty covers products shipped into the 48 contiguous United States, Hawaii, metropolitan areas of Alaska and Canada. There will be no labor coverage for equipment located on any island not connected by roadway to the mainland.

### TIME PERIOD:

All APW Wyott Equipment is warranted for one year for parts and one year for labor. Warranty is 18 months from ship date from factory or 12 months from date of install, whichever ever comes first. The Authorized Service Agency may, at their option, require proof of purchase. Parts replaced under this warranty are warranted for the unexpired portion of the original product warranty.

### EXCEPTIONS:

- Gas/Electric cookline – Models GCB, GCRB, GGM, GGT, GHP-H, EF, EG, EHP – Three (3) Year Warranty on all component parts, except switches and thermostats. (2 additional years on parts only – no labor on second or third year)
- Heat Strips – Models FD, FDL, FDD, FDDL – Two (2) Year Warranty on element only – no labor second year.
- Glass Windows, Doors, Seals, Rubber Seals, Light Bulbs, Broiler Briquettes – 90-Day Material Only – no labor.
- Rock grates, cooking grates, burner shields, and fire boxes – 90 day Material only – no labor.
- AT Express Toaster – 2 year warranty.

In all cases, parts covered by extended warranty will be shipped FOB the factory after the first year.

## PORTABLE CARRY-IN PRODUCTS

Equipment weighing over 70 lbs. or permanently installed will be serviced on-site as per the terms of this warranty. Equipment weighing 70 lbs. or under, and which is not permanently installed, i.e. with cord and plug, is considered portable and is subject to the following warranty handling limitations.

If portable equipment fails to operate in its intended manner on the first day of connection, or use, at APW Wyott's option or its Authorized Service Agency, it will be serviced on-site or replaced.

From day two through the conclusion of the warranty period, portable units must be taken to or sent prepaid to the APW Wyott Authorized Service Agency for in-warranty repairs. No mileage or travel charges are allowed on portable units after the first day of use. If the customer wants on-site service, they may receive same by paying the travel and mileage charges. Exceptions to this rule (1) countertop warmers and cookers, which are covered under the Enhanced Warranty Program, and (2) toasters or roller grills which have in-store service.

## EXCLUSIONS:

The following conditions are not covered by warranty:

- Equipment failure relating to improper installation, improper utility connection or supply and problems due to ventilation.
- Equipment that has not been properly maintained, calibration of controls, adjustments, damage from improper cleaning and water damage to controls.
- Equipment that has not been used in an appropriate manner, or has been subject to misuse or misapplication, neglect, abuse, accident, alternation, negligence, damage during transit, delivery or installation, fire, flood, riot, or act of God.
- Equipment that has had the model number or serial number removed or altered.

If the equipment has been changed, altered, modified or repaired by other than an Authorized Service Agency during or after the warranty period, then APW Wyott shall not be liable for any damages to any person or to any property which may result from the use of the equipment thereafter.

This warranty does not cover services performed at overtime or premium labor rates. Should service be required at times which normally involve overtime or premium labor rates, the Buyer shall be charged for the difference between normal service rates and such premium rates. APW Wyott does not assume any liability for extended delays in replacing or repairing any items beyond its control.

In all cases, the use of other than APW Wyott authorized OEM replacement parts will void this warranty.

This equipment is intended for commercial use only. Warranty is void if equipment is installed in other than commercial application.

## WATER QUALITY REQUIREMENTS

Water supply intended for a unit that has in excess of 3.0 grains of hardness per gallon (GPG) must be treated or softened before being used. Water containing over 3.0 GPG will decrease the efficiency and reduce the operating life of the unit.

**Note: Product failure caused by liming or sediment buildup is not covered under warranty.**

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE GIVEN AND ACCEPTED IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER REMEDIES. THESE ARE THE ONLY REMEDIES OF BUYER FOR ANY BREACH OF WARRANTY OR ANY OTHER CLAIM. SELLER'S TOTAL LIABILITY ARISING OUT OF THE WARRANTIES OR CLAIM OF NEGLIGENCE, OR OTHERWISE, SHALL NOT IN ANY CASE EXCEED THE COST PAID BY BUYER TO SELLER FOR THE MATERIALS AND IN NO CASE SHALL SELLER BE LIABLE TO BUYER OR ANY THIRD PARTY FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES.

Buyer agrees to indemnify and hold Seller harmless from all claims, demands and costs, including reasonable attorney fees, made by third parties against Seller relating to Buyer's use or installation of the products, and to pay any costs and expenses incurred by Seller to enforce Buyer's obligations, including, without limitation, the costs of collection for any unpaid amounts owed to Seller by Buyer.

# Enhanced Warranty

Designed Smart. Built Solid.®

For Equipment Covered by APW Wyott's "Enhanced Warranty" Program -- If Within One Year From Date of Purchase, This Unit Fails To Function, You Are Entitled To Your Choice of 1, 2 or 3. The Enhanced Warranty Program applies to Models W-1, W-2, W-3, W-3V, W-4B, W4-2, RW-1, RW-2V, RCW-7, RCW-11, CW-2A, CW-3A, CHP-1A.

## On All Calls, You Need To Give The Following Information:

1. Name and title of person calling
2. Phone number of person calling
3. Business name
4. Street address
5. City, State Zip
6. Model, Serial Numbers (*From serial plate*)
7. Date purchased (*If serial number indicates date of manufacture is over 13 months old, you will be asked to supply proof of purchase*)
8. Purchased from

### For Shortage -- Supply The Above Information And Fully Explain What Is Missing

It will be sent immediately -- prepaid via UPS or equivalent.  
(Next Day Air or Priority shipments available at customer's expense)

1. APW Wyott will replace the unit. When calling the factory, besides the above information, you will need electrical characteristics, voltage and phase; describe the problem the best you can. The factory will require a Visa or MasterCard number and expiration date of same to assure return and/or validity of condition. Upon validation of credit card information, factory will strive to ship a replacement unit the same day if call is received before 3 p.m. Central Time or the next day if later. The replacement unit will be shipped prepaid regular UPS or equivalent. If requested Next Day Air or Priority, shipment will be made at customer's expense. Upon receipt, it is the customer's responsibility to unpack the new unit, taking care to preserve the packaging. Repack the unit being replaced in the same container, using caution to pack properly, and return this unit to the factory following the instruction supplied. Factory will supply return label and UPS call tag; both must be used. If original unit is returned within 30 days and is represented, the credit card validation will be cancelled.

**IMPORTANT:** If factory does not receive the unit to be returned within 30 days, the unit will be billed to the credit card number supplied. If the returned unit is not as represented -- i.e. out of warranty, customer abuse, then it will be billed to the credit card number supplied. In these cases, the person calling in the problem will be contacted and, if applicable, the returned unit, if charged for, will be returned to the original owner if requested.

2. You may take this unit to the APW Wyott Authorized Service Distributor. List of same is included with each product. If the problem is covered under warranty, the unit will be repaired at no cost to you. If the Authorized Agency cannot repair same within a reasonable time while you wait, it will be returned to you prepaid, via UPS.
3. You can request the Authorized Service Distributor to service the equipment on site. If problem is covered under the warranty, the parts and labor will be billed to the factory, while the mileage and travel time will be the responsibility of the owner.

## 24-Hour Service Hotline: 1-800-733-2203

This replacement warranty is only available on selected products shipped within the continental USA, Alaska, Hawaii, and Canada. As with most warranties, warranty is only valid to the original end-user/owner. Instructions and procedures must be followed or the warranty is void.
