Subject: Service parts price increase

To our valued distributors and service agents:

This letter is to inform you that due to increased prices in raw materials and increased prices from our suppliers, Imperial has had to adjust the list price of our service parts. This adjustment will be a 6% increase in the list price and will take effect September, 1st 2008. Shortly following this letter will be a copy of the new parts price list. Thank you for your continued support of Imperial products. If you have any questions please feel free to contact me directly at 951-281-1867.

Respectfully,

A handwritten signature in black ink, appearing to read "Paul J. Yellish", is written over the typed name and title.
